EXPLANATORY NOTES

The law

- a) Natural England has issued this licence in exercise of the powers conferred by Section 16(4)(a) and section 16(5) of the Act, being satisfied that as regards the purpose set out at paragraph 1 there is no other satisfactory solution. Go to www.statutelaw.gov.uk and search for 'Wildlife and Countryside Act, 1981' to see consolidated versions of the law and the associated Schedules.
- b) Section 16 of the Act provides that section 6 shall not apply to anything done under and in accordance with the terms of a licence granted by the appropriate authority, which is, in England, Natural England.
- c) This licence permits the sale of dead birds that would otherwise be an offence under Section 6(2) of the Act. The sale of dead Schedule 3 Part II birds is already permitted by the Act. The sale of dead Schedule 3 Part III birds is permitted by the Act between 1 September and 28 February, so this licence only permits their sale at other times.

The limits of this licence

- d) This licence permits action only for the purposes specified in paragraph 1.
 - e) Please note that except as provided under section 16(7) of the Act, this licence does not permit actions prohibited under any other legislation.
 - f) Any person not permitted to use this General Licence on account of a relevant conviction (see Condition 5) may still apply to Natural England for a specific licence for the purpose(s) and activities covered by this licence. Any such application will be considered on its merits.
 - g) A licence in similar terms has been issued by the Scottish Executive in respect of Scotland and the National Assembly for Wales in respect of Wales.
 - h) This licence may be modified or revoked at any time.
