EXPLANATORY NOTES

The law

- a) Natural England has issued this licence in exercise of the powers conferred by Section 16(4)(b) and section 16(5) of the Act, being satisfied that as regards the purpose set out at paragraph 1 there is no other satisfactory solution. Go to www.statutelaw.gov.uk and search for ‘Wildlife and Countryside Act, 1981’ to see consolidated versions of the law and the associated Schedules.
- b) Section 16 of the Act provides that section 9(5) shall not apply to anything done under and in accordance with the terms of a licence granted by the appropriate authority, which is, in England, Natural England.
- c) Section 9 (5) of the Act prohibits the sale of certain animals listed on Schedule 5 of the Act (this includes the Pine Marten and Red Squirrel). The term “sale” is taken to include all those activities listed in paragraphs 2(i) and (ii).

The limits of this licence

- d) This licence permits action only for the purposes specified in paragraph 1.
- e) The sale of Schedule 5 animals, other than those listed in paragraph 2, is not permitted by this licence. To sell animals of any other species you must obtain a licence from Natural England.
- f) We do not define ‘documentary evidence’ in relation to this licence. The onus is on the user of this licence to satisfy this requirement by retaining and providing satisfactory evidence that the specimen was legally removed from the natural state.
- g) This licence does not confer any right of entry upon land.

- h) Any person not permitted to use this General Licence on account of a relevant conviction (see Condition 5) may still apply to Natural England for a specific licence for the purpose(s) and activities covered by this licence. Any such application will be considered on its merits.
 - i) Please note that except as provided under section 16(7) of the Act, this licence does not permit actions prohibited under any other legislation.
 - j) This licence may be modified or revoked at any time.
